SUSTAINABLE BUSINESSES

Look out for businesses in Donegal committed to sustainability, which help you buy and consume with less environmental impact!

like this one

Slán Eco Based in Fahan, this company specialises in the use of hemp, lime and other natural building materials to provide sustainable and ecologically sound solutions for building, restoration and renovation. By using sustainable, recyclable and low-impact building products they help drive down carbon emissions, reduce harmful plastic waste and create durable homes and buildings.

ENVIRONMENTAL GROUPS

There are many environmental groups around, find one near you! The **Donegal Environmental Network** is one of them, a group created to raise awareness on sustainable development and policy that has environmental significance in Donegal. They are active in their Public Participation Network, and in local actions.

LOCAL AND MINIMAL WASTE SHOPPING

A great way to be environmentally friendly is to buy local. The farmers market is a great place for that, and so are shops that sell close-range products! You can find some around Donegal, as well as plastic-free and minimal waste businesses.

Simple Simon's Inspiring Natural Choice
Simple Simon's Starting as a health store, this shop has a zero waste refill station where you can shop using your own containers - the first of its kind in Donegal.

Ballyhoed Farm Shop Based in Raphoe, this family-run farm, sells vegetables in their farm shop as well as at the Letterkenny Real Food and Farmer's Market.
