

BIOBASED IN GALWAY

SUSTAINABLE BUSINESSES

Many businesses in county Galway are committed to sustainability, which in turn, help you buy and consume with less environmental impact.

BeeGreen Cleaners is the first professional garment cleaners in Ireland to offer a revolutionary, safe, environmentally friendly option for cleaning clothes. Being 100% non-toxic, the cleaning service ensures that your clothes are safely and thoroughly cleaned. They only use products that are fully biodegradable.

GlasPort Bio This biotechnology company has created a feed supplement for livestock and additive for stored slurry that helps reduce methane emissions by 30%. This allows farmers to greatly reduce their carbon footprint allowing farming to prosper more sustainably.

ENVIRONMENTAL GROUPS

There are many environmental groups around, find one near you! The **Galway Environmental Network** is one of them, a network of individuals, groups and organisations concerned with the environment and sustainability in Galway.

LOCAL AND MINIMAL WASTE SHOPPING

A great way to be environmentally friendly is to buy local. The farmers market is a great place for that, and so are shops that sell close-range products! You can find some around Galway, as well as plastic-free and minimal waste businesses.

Green Earth Organics Farm Shop
This farm shop brings you freshly harvested farm produce, 100% organic from their farm, grocery products and also have a zero waste refills station and use plastic free and compostable packaging where possible.

The Filling Station This Based in Galway City, this shop provides minimal waste dried groceries and eco-friendly household alternatives, where you can bring your own containers, instead of using plastic packaging!
