

# BIOBASED IN LIMERICK

## SUSTAINABLE BUSINESSES

Limerick is home to many businesses committed to sustainability, which help you buy and consume with less environmental impact.

### Greentech Plastics Ltd

**Greentech Plastic Ltd**  
Ireland's only closed-loop plastics refinement company, providing full traceability of all recovered plastic materials. They offer a solution to companies' plastic waste, using environmentally-friendly practices.

**EcoStraws.ie**  
Born in Limerick, this online business supplies many different types of eco friendly reusable straws and 100% biodegradable disposable straws as a much better alternative to plastic straws. They also offer reusable cups and bottles!

## ENVIRONMENTAL GROUPS

There are many environmental groups around, find one near you! The **Limerick Environmental Network** is one of them: a platform to connect all the environmental groups and individuals interested in the environment in Limerick City and County.

## LOCAL AND MINIMAL WASTE SHOPPING

A great way to be environmentally friendly is to buy local. The farmers market is a great place for that, and so are shops that sell close-range products! You can find some around Limerick, as well as plastic-free and minimal waste businesses.

**Milk Market** On Saturdays, the Milk Market in Limerick City offers the widest range of fresh, fine and natural food produce, "food to go" and horticultural produce.

**The Urban Co-op** An organic and sustainable community grocer, with refillery stations where you can shop with your own containers!

**Richardsons** They are committed to sourcing supplies from local growers and trusted Limerick and Irish food producers and they offer a wide range of fresh fruits, vegetables, cooked meats, dairy and popular larder essentials.
