

# BIOBASED IN OFFALY

## SUSTAINABLE BUSINESSES

Many businesses in county Offaly are committed to sustainability, which in turn, help you buy and consume with less environmental impact.

**BiaSol** They provide nutritious foods made from repurposed leftover grains collected from Irish Breweries - good for you, good for our planet!

Minister Pippa Hackett.

## Offaly business wins top award in national Green Awards

**The Factory** They offer Ireland's most environmentally friendly printing service. Their paper is either recycled or from sustainably managed forests, they generate their own solar and wind energy which powers their printing and finishing machines, they produce very little waste and use the most environmentally friendly inks/toners available, and their packaging is 100% plastic-free!

## ENVIRONMENTAL GROUPS AND INITIATIVES

There are many environmental groups around, find one near you!

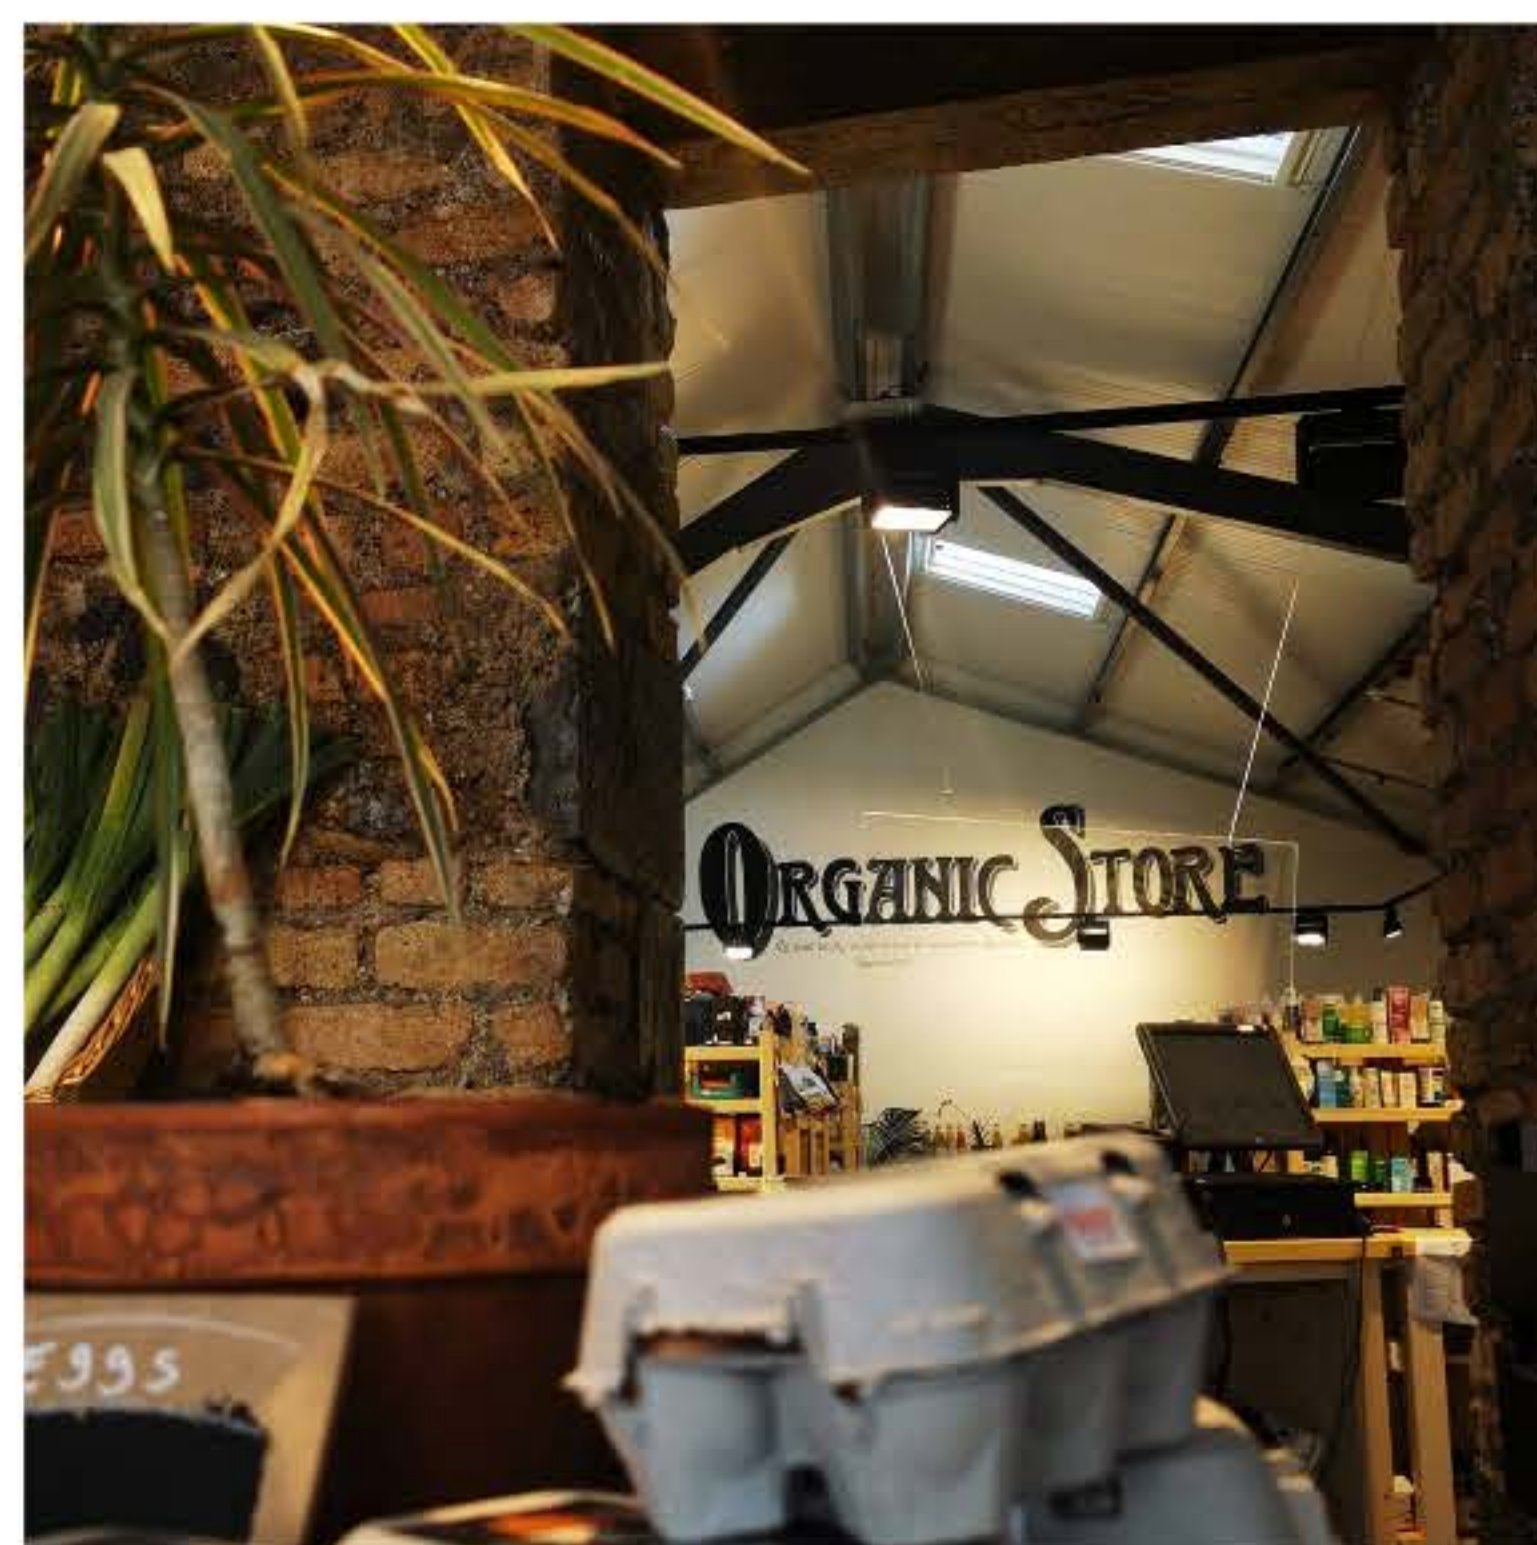

**Green Offaly** is one of them, with a mission to work with all sectors of Offaly's local communities to assist in lowering the county's greenhouse gas emissions and to preserve, restore and increase its biodiversity.

**The Growery** is Ireland's first Urban Food Commons, situated in Birr, promoting organic technologies, local production and climate resilience.

## LOCAL AND MINIMAL WASTE SHOPPING

A great way to be environmentally friendly is to buy local. The farmers market is a great place for that, and so are shops that sell close-range products! You can find some around Offaly, as well as plastic-free and minimal waste businesses.

**The Organic Store** Based in Birr, this is an organic grocery store stocking fresh local vegetables, cheese, milk and others, as well as refillable eco-friendly personal care and cleaning products.

**Tullamore Food Fayre** Weekly market in Tullamore for quality food from local artisan producers. There you can find organic produce, free-range meat, bakes, bread and more.
